Student Branch Opened in High School

“We are very proud and grateful to have the student branch at the high school. Financial literacy is so important for young people, and this is a unique opportunity! Our goal with Cats Cash is to help students learn the importance of saving money, be financial responsible and build a long-lasting, positive relationship with the credit union.”

Cats Cash!

On Thursday, August 30, 2018, Cats Cash opened its doors in the Greater Latrobe High School Cafeteria. Cats Cash is Lesco's first student branch and the first Lesco satellite office.

The branch is for students and run by students. There are five student interns who have been trained and will be supervised by Lesco Member Service Representative, Beverly Jenkins. Cats Cash is not open to the public.

Greater Latrobe High School students can open accounts, deposit money, cash checks and withdraw money at the student branch location.

Lesco staff has worked closely with GLSD administration to make this real-world, learning opportunity available to high school students.
